EARN REWARDS WITH EVERY DOLLAR YOU SPEND.

Get more for your hard-earned money with a program that rewards you for the purchases you already make. UChoose Rewards® makes every dollar you spend worth so much more.

UChoose Rewards®

Your Anchor Bank credit cards and Rewards Checking debit card come with UChoose Rewards. A free rewards program that lets you earn points every time you make a qualifying transaction or purchase from a participating retailer.

- Earn 1 point for every \$1 you spend with your Anchor Bank credit card.
- Earn 1 point for every \$2 (PIN based transactions) or 1 point for every \$4 (PINless transactions) you spend with your Anchor Bank debit card.
- Combine UChoose points earned in multiple accounts to get rewarded faster.

You'll earn points on qualifying transactions and can earn even more when you shop at participating retailers listed on our website online and in-person.

Registration

You must register your credit and debit cards at uchooserewards.com in order to earn points. Once you have, all other debit cards that are associated with the account number that is linked to the registered card will automatically be registered. That means you can share your points with your family.

Redeeming Points

Redeem your points for great rewards such as: activities, travel, event tickets, merchandise, gift cards, and statement credit. To redeem your points, visit uchooserewards.com and browse a huge online catalog. We track your points for you and can help you create a wish list so you know when you've earned enough points to redeem a specific item.

You must accumulate 1,500 points before you can redeem them and it can take up to 60 days for your points to be credited to your account. Unredeemed UChoose Rewards Points are forfeited at the time your account is closed or converted to a different checking account. Points are good for 3 years from the end of the month in which they are posted.
